

Secret Vatican Briefings on The Creation of... Prophet Muhammad

extracted from Spectrum Magazine August 2002
from [SpectrumMagazine](#) Website

Editor's note:

You just never know where or when some truly insightful information is going to cross our path to share with you.

How the Vatican created Islam.
The astonishing story from an exJesuit priest, Alberto Rivera, which was told to him by Cardinal Bea while he was at the Vatican.

How about a "comic book" form of publication of important suppressed history about the Jesuit/Vatican hand in *the creation of Islam and Islam's founder*, the prophet Muhammad?

According to the Introduction to what you are about to read:

"This information came from **Alberto Rivera**, former Jesuit priest, after his conversion to *Protestant Christianity*. It is excerpted from [The Prophet](#), published by [Chick Publications](#), P.O. Box 662, Chino CA 91708. Since its publication, after several unsuccessful attempts on his life, he died suddenly from food poisoning. His testimony should not be silenced. Dr. Rivera speaks to us still."

"The Destruction of the Temple at Jerusalem" by Nicolas Poussin (1637)

More complete information and color illustrations of this and related materials are available for viewing and purchase from the www.choosinglife.net/Islam.htm Internet website. (Note that the website address is case-sensitive to the capital I in the word Islam.)

Because of the provocative nature of this material, I (E.Y.) asked **Rick Martin** to contact SPECTRUM friend **Eric Jon Phelps**, author of the blockbuster research work [VATICAN ASSASSINS](#), for his opinion.

This is what Eric wrote back via email:

"This is from the Chick comic book 'Alberto' series, titled *The Prophet*. And it is absolutely true. Islam is a sword of the Church evidenced by who the Moslems have killed for the last 100 years."

Eric also said, in a later communication, that Dr. Alberto Rivera first publicly released this information back in 1988.

Of course, Eric would likely add another twenty pages of details to this document tracing the Jesuit hand in these shenanigans, but you'll be able to spot that thread easily enough from what is related in the following narrative. ([analysis by Eric Phelps of a recent example of the typically two-faced nature of Vatican propaganda](#) as carried out through their controlled media puppetry.)

Pay attention to the overall picture being painted below; don't get caught up in arcane theological language and related concepts that obviously derive from Dr. Rivera's background. *The Dark Energies*, by any name, reveal themselves through their ACTIONS!

Also pay close attention to another thread running through the following narrative—one which provides important background for the long-running Arab-Israeli conflict. In beautiful contrast to what you're programmed to believe through the media, that Arabs and Israelis can't get along, elsewhere in this issue of *The SPECTRUM* is a very warm and personal account of some Jews sharing in the hospitality of some Arabs.

The actual (natural) inclination for people of even diverse backgrounds to generally live in peace and get along with each other on common human grounds always reveals when there has been the instigation of conditions (by diabolical ones operating behind the scenes) that are calculated to artificially provoke strife and war.

The following is a good example of just such behind-the-scenes shenanigans that are carried out by ones long overshadowed by **the Dark Energies**.

The Prophet, Muhammad

from [ChoosingLife](#) Website
recovered through [WayBackMachine](#) Website

What I'm going to tell you is what I learned in secret briefings in [the Vatican](#) when I was a Jesuit priest, under oath and induction.

A Jesuit cardinal named **Augustine Bea** showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A scheme had to be developed to make Jerusalem a Roman Catholic city. The great untapped source of manpower that could do this job was the children of Ishmael. The poor Arabs fell victim to one of the most clever plans ever devised by [the Powers of Darkness](#).

Early Christians went everywhere with the gospel, setting up small churches, but they met heavy opposition. Both the Jews and the Roman government persecuted the believers in Christ to stop their spread.

But the Jews rebelled against Rome, and in 70 A.D. Roman armies under General Titus smashed Jerusalem and destroyed the great Jewish temple which was the heart of Jewish worship—in fulfillment of *Christ's prophecy* in Matthew 24:2. On this holy place, where the temple once stood, the *Dome of the Rock Mosque* stands today as Islam's second most holy place.

Sweeping changes were in the wind. Corruption, apathy, greed, cruelty, perversion, and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless, as they continued to lay down their lives for the gospel of *Christ*.

The only way Satan could stop this thrust was to create a counterfeit "Christian" religion to destroy the work of God. The solution was in Rome. Their religion had come from ancient Babylon, and all it needed was a face-lift. This didn't happen overnight, but began in the writings of the "early church fathers".

It was through their writings that a new religion would take shape. The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was on one of the seven hills called "Vaticanus"—the place of diving serpent where the satanic Temple of Janus stood.

The great counterfeit religion was *Roman Catholicism*, called "Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth" (Revelation 17:5). She was raised up to block the gospel, slaughter the believers in *Christ*, establish religions, create wars, and make the nations drunk with the wine of her fornication as we will see.

Three major religions have one thing in common—each has a holy place where they look for guidance. Roman Catholicism looks to the Vatican as the *Holy City*. The Jews look to the wailing wall in Jerusalem, and the Muslims look to Mecca as their Holy City.

Each group believes that *they receive certain types of blessings for the rest of their lives for visiting their holy place*.

In the beginning, Arab visitors would bring gifts to the "House of God" and the keepers of the Kaaba were gracious to all who came. Some brought their idols and, not wanting to offend these people, their idols were placed inside the sanctuary. It is said that the Jews looked upon the Kaaba as an outlying tabernacle of the *Lord*, with veneration until it became polluted with idols.

The Kaaba, Mecca

In a tribal contention over a well (Zamzam) the treasure of the Kaaba and the offerings that pilgrims had given were dumped down the well and it was filled with sand; it disappeared. Many years later *ʿAḍb al-Muttalib* was given visions telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become *the grandfather of Muhammad*.

Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed.

Muhammad's father died from illness, and sons born to great Arab families in places like Mecca were sent into the desert to be suckled and weaned and spend some of their childhood with Bedouin tribes for training and to avoid the plagues in the cities.

After his mother and grandfather also died, Muhammad was with his uncle when a Roman Catholic monk learned of his identity and said:

"Take your brother's son back to his country and guard him against the Jews, for by *God*, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours."

The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad. The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews.

Another problem was the true *Christians* in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition. Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused Roman Catholicism. Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work.

Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome. Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism.

When "St. Augustine" appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians.

The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope.

In the *Vatican briefing*, Cardinal **Bea** told us this story:

A wealthy Arabian lady who was a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment.

She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the *messiah* for the *children of Ishmael*.

Khadijah had a cousin named Waraquah, who was also a very faithful Roman Catholic, and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad.

Teachers were sent to young Muhammad and he had intensive training. Muhammad studied the works of St. Augustine, which prepared him for his "great calling". The Vatican had Catholic Arabs across North Africa spread *the story of a great one who was about to rise up among the people and be the chosen one of their God*.

While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this.

Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came *the Koran*. In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba.

Muhammad instructed some of them to flee to Abyssinia, where *Negus*, the Roman Catholic king, accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.

Muhammad later conquered Mecca and the Kaaba was cleared of idols.

History proves that before Islam came into existence, the Sabeans in Arabia worshiped the moon-god who was married to the sun-god. They gave birth to three goddesses, who were worshipped throughout the Arab world as "*Daughters of Allah*". An idol excavated at Hazor in Palestine in the 1950s shows *Allah* sitting on a throne with the crescent moon on his chest.

Muhammad claimed he had a vision from *Allah* and was told:

"You are the messenger of *Allah*."

This began his career as a prophet and he received many messages. By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of *Allah* and his prophet, *Muhammad*.

Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking *holy men* (Ayatollahs) in the Islamic faith.

When Cardinal **Bea** shared this information with us in the Vatican, he said:

"These writings are guarded because they contain information that links the Vatican to the creation of Islam."

Both sides have so much information on each other that, if exposed, it could create such a scandal that it would be a disaster for both religions. In their “holy” book, the Koran, *Christ* is regarded as only a prophet. If the pope was his representative on Earth, then he also must be a prophet of *God*. This caused the followers of Muhammad to fear and respect the pope as another “holy man”.

The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa.

The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

1. Eliminate the Jews and Christians (the latter were regarded as true believers, which they called infidels)
2. Protect the Augustinian monks and Roman Catholics
3. Conquer Jerusalem for “His Holiness” in the Vatican

As time went by, the power of Islam became tremendous—Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial!

The Arab generals had such military success that they could not be intimidated by the pope—nothing could stand in the way of their own plan.

Under Waraquah's direction, *Muhammad* wrote that *Abraham* offered *Ishmael* as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's name. As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the *Dome of the Rock*, in Ishmael's honor, on the site of the Jewish temple that was destroyed in 70 A.D. This made Jerusalem the second most holy place in the Islamic faith.

How could they give such a sacred shrine to the pope without causing a revolt?

The pope realized what they had created was out of control when he heard they were calling “His Holiness” an infidel. The Muslim generals were determined to conquer the world for *Allah*, and now they turned toward Europe.

Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries. The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with those whom he considered heathens.

The pope raised up his armies and called them “crusades” to hold back the children of Ishmael from grabbing Catholic Europe. The crusades lasted for centuries and Jerusalem slipped out of the pope's hands. Turkey fell, and Spain and Portugal were invaded by Islamic forces. In Portugal, they called a mountain village “Fatima” in honor of Muhammad's daughter, never dreaming it would become world famous.

Years later, when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi. As a result, the Muslims were allowed to occupy Turkey in a “Christian” world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference, as long as Roman Catholicism could flourish in Arab countries.

Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy: *Bible-believing Christian missionaries*. Through these concordats, *Satan* blocked the children of Ishmael from a knowledge of scripture and the truth.

The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of *Allah*. This explains years of ministry in those countries with little results.

The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully. A light control was kept on Muslims—from the Ayatollah, down through the Islamic priests, nuns, and monks.

The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the Church.

The Jesuits wanted Russia involved, and the location of [this vision at Fatima](#) could play a key part in pulling Islam to the Mother Church. In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat.

Roman Catholics worldwide began praying for the conversion of Russia, and [the Jesuits invented the novenas to Fatima](#), which they could perform throughout North Africa, spreading good public relations to the Muslim world. The Arabs thought they were honoring the daughter of Muhammad, which is what the Jesuits wanted them to believe.

As a result of the vision of Fatima, **Pope Pius XII** ordered his Nazi army to crush Russia and the Orthodox religion, and make Russia Roman Catholic. A few years after he lost World War II, Pope Pius XII startled the world with his phony "dancing Sun" vision to keep Fatima in the news. It was great religious show biz and the world swallowed it. Not surprisingly, Pope Pius was the only one to see this vision.

As a result, a group of followers has grown into a *Blue Army* worldwide, totaling millions of faithful Roman Catholics ready to die for *the Blessed Virgin*. But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.

What has this got to do with Islam?

Note [Bishop Sheen's](#) statement:

"Our Lady's appearances at Fatima marked the turning point in the history of the world's 350 million Muslims. After the death of his daughter, Muhammad wrote that she 'is the most holy of all women in Paradise, next to Mary.' He believed that the Virgin Mary chose to be known as *Our Lady of Fatima* as a sign and a pledge that the Muslims who believe in Christ's virgin birth, will come to believe in his divinity."

Bishop **Sheen** pointed out that the pilgrim virgin statues of *Our Lady of Fatima* were enthusiastically received by Muslims in Africa, India, and elsewhere, and that many Muslims are now coming into the *Roman Catholic Church*.

Example Of The Power Behind The Power

Editor's note:
Most readers of this publication are aware of the eye-opening book [VATICAN ASSASSINS](#) and its engaging author, **Eric Jon Phelps**. (See inside back cover.) In our popular May 2000 issue, we introduced Eric for the first time in a front-page feature interview about the well-hidden, high-level Jesuit aspect of world control and their leader, the so-called "[Black" Pope](#)."

Another article in this issue of *The SPECTRUM* provides great insight into the Jesuit/Vatican hand in the creation of Islam and the *Prophet Muhammad*. We see the modern effects of these manufactured "religious" tools of manipulation and division of peoples everywhere around the globe—and particularly in the boiling Middle East.

While Eric's remarkable *Jesuit-connection research* has stood up quite well to the test of scrutiny, that such a realm of global manipulation could have been so well concealed for so long is just too much for some so-called conspiracy authors to accept. Or they are beholden to other agendas which cause them to "act blind" to The Truth.

With that said, we share the following analysis with you from Eric, who even provides his own introduction. If you look beyond the religious terminology behind which so many power plays unfold, what he has to say most clearly acts as an instructive exercise to help us not fall into obvious traps set up by those of a cunning and devious nature who are experts at making things seem to be what they are not.

After all, *their boss is the Great Deceiver himself!*

6/26/02
ERIC JON PHELPS

Dear Friends,
This article [below] has been written by a brilliant and noted author who blamed the Pope's Mossad of Zionist Israel as the true power behind the Kennedy Assassination. He bases his premise upon the fact that the late Yitzak Rabin was in Dallas on November 22, 1963 according to his late wife, Leah.

He knows of me and is aware of my book [VATICAN ASSASSINS](#). Still he maintains the false position that the Jews control the American Media while refusing to admit to the primacy of the Jesuit Order within the *Pope's Holy Roman Fourteenth Amendment American Empire* (1868-Present) ruled through the Archbishop of New York's [Council on Foreign Relations](#).

The Jews manning the Order's American Press are the Pope's "Court Jews"—the Masonic Jewish Zionists—and nearly all are members of the Council on Foreign Relations. This brings us to the three primary purposes of *the Pope's Masonic Jewish Zionists*.

They are:

1. To take Jerusalem from the Moslems FOR THE POPE. This was accomplished during the Six-Day War in 1967.

2. To deed over Jerusalem to the Papacy FOR THE POPE. This was accomplished in 1993 by Yossi Belin and Jesuit-trained Shimon Peres when the treasonous Oslo Accord functioned as an international diversion.
3. To create anti-Jewish fury in foreign nations for the purpose of driving the Jews of those nations back to the Pope's Zionist Israel in preparation for the ultimate "Final Solution to the Jewish Question".

The future Satan-possessed risen Pope will make one last mad attempt to kill the physical descendants of Abraham, Isaac, Jacob, David—and thus the physical descendants of the Lord Jesus Christ.

Rather than merely forward this article to you, I felt compelled to comment as to its content and erroneous conclusion promulgated therein. Therefore I shall comment in bold.

— Eric Jon Phelps

Vatican Links Israeli Influence To Media Attacks

by **Michael Collins Piper**

Exclusive To [American Free Press](#)

(6/15/02)

The **Vatican** has issued a not-so-subtle blast at the influence of the Israeli lobby over the American media monopoly. This is news that the media (not surprisingly) is keeping under wraps.

You won't read about it in your daily newspaper or hear [Dan Rather](#) or [Tom Brokaw](#) talking about it on television, but *Civiltà Cattolica*—an influential Jesuit journal sanctioned by the Vatican—has fired a volley at the American media for its obsessive coverage of the Catholic Church sex scandals.

[*Civiltà Cattolica* ("Catholic Civilization" i.e. "World Government under the Pope") is THE Jesuit house organ of the Vatican. Whatever is written here comes straight from the mouth of the Black Pope. This is the periodical that I quoted in VATICAN ASSASSINS which declared that "Fascism is the regime that corresponds most closely to the concepts of the Church of Rome."]

What is most significant is that in tracing the media's interest in the Church's troubles, the Vatican has hinted at the behind-the-scenes power of the inter-connected handful of powerful pro-Israel families and financial interests who dominate the media monopoly in shaping the media's news coverage.

[Now it's time to blame the Jews in general. Does not Mr. Piper realize that the [Council on Foreign Relations](#) controls the Press? Sure he does! Who, dear reader, do you think is more powerful, Henry Kissinger, a CFR Presider, or the President of the Jesuits' Fordham University in New York, [Joseph A. O'Hare](#), another CFR Presider and Jesuit under Extreme Oath?

Is not Fox News affiliated with the CFR?

Of course it is, and its Director is [Knight of Malta Rupert Murdoch](#), a porn king and promoter of the *Jenin Massacre Hoax* that was intended to ignite anti-Jewish fury within America. No—the JESUITS have used their controlled press, employing their Masonic Jewish Zionists, to expose the scandal of America's Roman Hierarchy. The \$64,000 question is: WHY!]

Published on June 1 the Vatican-approved article flatly asserts that—at least in part because the Catholic Church refused to support the much-ballyhooed and media-promoted Persian Gulf War against Saddam Hussein in 1991—the controllers of the American media monopoly have nursed a grudge against the Church.

[This is absolutely ridiculous!

The Vatican, controlled by [the Jesuits](#) since 1814 upon their restoration by Pope Pius VII, caused the Persian Gulf War in 1991. The Jesuits controlled both sides, using brother Freemasons and business partners President **George H. W. Bush** and **Saddam Hussein**.

That war was waged against the Moslem peoples of Iraq, not against Saddam Hussein, as he is still in power. The Vatican-controlled CFR/Jesuit Press may have OPENLY opposed the war—just like it OPENLY opposed Hitler's extermination of the Jewish people; just as it OPENLY refused to recognize the Nation of Israel until 1993. But the Vatican's SECRET policy was to support the Gulf War, Hitler's Jewish genocide, and the Zionist Nation of Israel.

The Pope always has TWO POLICIES—like *the two-headed Janus* that he is. One is OPEN and FALSE, intended for public confusion; the other is SECRET and TRUE, which is in fact the Black Pope's agenda.]

And while, in this context, the Vatican doesn't say it directly, it is absolutely beyond question that it was the pro-Israel lobby that was the prime mover behind the war against Saddam who has long been perceived as one of Israel's greatest enemies.

[The pro-Israel lobby?

There is no greater pro-Israel lobby than [the Federal Reserve Bank](#), its primary class-A stockholders being New York banks managed by the Pope's Knights of Malta, past men like **Francis X. Stankard** of Chase Manhattan Bank and **Martin F. Shea** of Citibank. The Director of the New York Federal Reserve Bank is the Jesuit-trained economist, Irish Roman Catholic and Papal Knight, **William J. McDonough**, though the Order has placed a CFR Masonic Jew to head the Federal Reserve Board, **Alan Greenspan**.

And all these Papal Knights were or are members of the Council on Foreign Relations. The CFR is the pro-Zionist Government of Israel lobby, all the while plotting the mass murder of the Jewish people within Israel, once they have been used to rebuild Solomon's Temple—for the Pope! Saddam Hussein is an enemy of the Jewish people but not the enemy of the Pope's Masonic Jewish Zionist government.

If Hussein is an enemy of the Pope's Zionist Israel, then why did the Pope's CFR use the American Military-Industrial Complex to arm him with biological, conventional, and nuclear weapons? Simple: Those weapons are to be used in a future war with an otherwise invincible American Military.

Once we invade Iraq, just watch which weapons are used both in Central Asia and inside the borders of America.]

In addition, in recent months—since [the Sept. 11 attacks](#)—Israel's American lobby (actively abetted by the media monopoly) continued to push for war against Iraq, despite the fervent opposition of career American military leaders, including the entire Joint Chiefs of Staff.

[Again, Israel's American lobby is indeed abetted by the Pope's CFR media monopoly. Indeed, it pushed for war with Iraq—which is exactly what the Jesuit General wants—so that whatever calamities befall America as a result of that war, American Jews can be scapegoated, persecuted, and then driven back to Israel, fulfilling the dream of the Black Pope's Ariel Sharon: increasing the population of Israel by one million Jews within fifteen years.

This immigration will further secure Jerusalem for the Pope, using the Jewish people as a human shield against any Moslem who would dare to foil the rebuilding of the Pope's new Temple. This means that the Palestinian agitation will be ended. The Joint Chiefs of Staff are all CFR members. If they opposed a war with Iraq, why have NONE of them resigned, refusing to commit such a travesty against a people betrayed by their Masonic leader, Saddam Hussein?

The SECRET policy of the Pentagon's Joint Chiefs is to wage the Black Pope's war against the Iraqi people for expelling the Jesuit Order in 1969. Payback time has arrived once again for the Iraqis.]

Given that—as the record indicates—the media's sudden and intense interest in the Church's problems did, in fact, evolve after Sept. 11, it is interesting to note that *Civita Cattolica* also cited the aftermath of 9/11 in its dissection of the media's attacks on the Church.

The journal suggested that the *Catholic Church's* appeals against “vendettas” against the Arab and Muslim world in the wake of 9/11 also offended the media, which has been heavily promoting an anti-Arab and anti-Muslim agenda, often quoting so-called “experts” on terrorism and on the Middle East who are—more often than not—advocates of Israeli policy and often directly affiliated with Israeli intelligence.

[Yes, the Pope's CFR/Jesuit-controlled media empire exposed the scandal of the Roman Hierarchy after 9/11. This had a dual purpose:

1. to get the attention off the clues leading to CIA complicity in the demolition of the WTC, the CIA being directed by the Archbishop Egan's CFR member and Knight of Malta, [George J. Tenet](#)
2. to justify a secret meeting of the Pope's thirteen American Cardinals, during which Council of War, deep inside the Vatican, their roles could be well defined during the coming destruction of apostate Protestant America

Forget reform.

It will never happen as long as that doctrine of demons called celibacy is still in force. Israeli Intelligence is a creation of the Black Pope's CIA, as shown in [VATICAN ASSASSINS](#).

Reinhard Gehlen, Hitler's most sinister General and Knight of Malta, trained the Mossad with his ex-Nazis. The source for this fact is none other than the brilliant [John Loftus](#), as found in his [The Secret War Against The Jews](#).

And yes, most Jewish broadcasters, like [Michael Savage](#) and [Chuck Morse](#), have heavily promoted the Black Pope's war against Afghanistan, which war must ultimately move on to Iraq if the “war on terror is to be won”—so we are told.]

Big Problem

While no one excuses either the Vatican or other Church officials for misfeasance, malfeasance, or non-feasance in handling the travesty of sexual abuse by priests, the truth is that the problem has been one of long standing and has really been no secret whatsoever.

[Correct. Then why would the Jesuits expose it now?]

It was only after Sept. 11—as any content analysis of daily news coverage will affirm—that the American media began devoting so much space to the problem to the point that the term “[Catholic is now become almost synonymous in many people's minds with “pedophilia”](#)”—a scourge which is, by no means, limited to any one religious affiliation.

Some critics allege, for example, that pedophilia is actually advocated in portions of the Talmud.

[We are getting off point here. Do not use this Jesuit ruse of war, Mr. Piper. The Roman Hierarchy, at which the Jesuit Order laughs while being outside of its jurisdiction, has been known for centuries as sexual predators of the worst sort. The closed cloistered convents have been houses of prostitution in every country, for which reason Republican Spain closed them all and expelled the Jesuits in 1932.

And the damnable doctrine of priestial celibacy is its impetus. Simply read ex-priest **Charles Chiniquy's** [The Priest, The Woman, And The Confessional](#), written in the late nineteenth century. All will become crystal clear.]

Although there are elements who promote the bizarre and totally outlandish theory that all of the great tragedies of history can be attributed to the Vatican—including the Bolshevik Revolution, both World War I and World War II, and even the assassination of America's first Catholic president, John F. Kennedy—the record suggests otherwise.

[Mr. Piper is referring to me here. I promote this “bizarre and totally outlandish theory” that all of the great tragedies of history for the last 450 years can be attributed to the Vatican—and I prove it in *VATICAN ASSASSINS* with an irrefutable chain of evidence. The record does not suggest otherwise. WHO BENEFITS, Mr. Piper? Always the Jesuits, as they use their Masonic Jewish Zionists to fulfill their grand design. To deny this irrefutable fact is to betray your true colors.]

The Vatican's criticism of the media giants is not a new development.

[The Vatican always has TWO policies when implementing its Hegelian Dialectic: one is OPEN, which is the FALSE, and one is SECRET, which is the TRUE.]

Several years ago, speaking before *Corallo*, the consortium of independent local radio and television channels in Italy, [Pope John Paul II](#) cited the rise of global media monopolies and emphasized the need for “local information”—that is, media voices outside the hands of the powerful media barons.

The pope said that “communication has become the soul which shapes the culture of our time” and stressed what he called the “dignity” of independent media.

[This is the Pope's lying and false OPEN policy of the Jesuit General. It is intended to mislead us into thinking that the Vatican is for free enterprise—a free press, contrary to the Order's Council of Trent which CONDEMNS FREEDOM OF SPEECH—when it is actually the master of the Fortune 500 corporations, many of which compose *America's CFR media monopoly*.]

Observers say the fact that the Vatican has fired back at its enemies—citing their hidden motivations—indicates this “warning shot across the bow” could very well point toward a new, bold approach to world affairs by the Catholic Church which, for the last 50 years, has approached its dealings with Israel and its worldwide supporters in a most gingerly fashion.

[Indeed, the Vatican’s Jesuits, having used their Masonic Jewish Zionist agitators, have laid the foundation for firing at their age-old enemies. Those enemies are the Jewish people and any who would come to their defense—like us *Bible-believing White Anglo-Saxon Protestant and Baptist Calvinists*. But we have weathered not only “warning shots” but a thousand fields of battle in resisting the machinations of the Black Pope as he attempts to reduce every nation to the “Temporal Power of the Papal Caesar” in his bold attempt to rule the world from Jerusalem.

We know that the Pope has ALWAYS had a bold approach to world affairs, that approach being anything but “gingerly”.

For the creation of the Pope’s Zionist Israel required the “gingerly” mass extermination of two-thirds of European Jewry and millions of Russian Jews, to the delight of Jesuit-trained Joseph Stalin. The subjugation of Russia and China required the “gingerly” extermination of fifty-million Chinese and millions of Orthodox Russians in gulags of Siberia.

No, Mr. Piper, the Jesuits in control of the Vatican will continue their mass murder of “heretics and liberals” for the next fifty years—ever true to their Satanic [Jesuit Oath of the Fourth Vow](#). And the Order’s “[Skull and Bones](#)” **George W. Bush**—who during his initiation “kissed the slippered toe of the Pope”—has started this new century off with a bang.

That bang will be the death knell to millions of “infidel” Moslems, “liberal” Roman Catholics, and “heretic” *Bible-believers* and “perfidious Jews” to the orgasmic delight of [the Black Pope](#) and his master.]
